RESEARCH PROJECT	The research project, drafted in Italian, English or French, must be no longer than 5 pages and include, with a sufficient degree of precision, the subject, the objectives and the methodology of the proposed research. For the applications referring to the positions with “New technologies and protection of fundamental rights: regulatory challenges in the European context” as specific research topic the project can be only drafted in English.
MODALITY OF EVALUATION	<ul style="list-style-type: none"> • Written examination • Interview along with the evaluation of the curriculum, of the research project and of the scientific qualifications documents <p>As detailed in the section below “Evaluation Marks”</p>
SKYPE INTERVIEW	NO
OTHER LANGUAGES FOR THE EXAMINATIONS	The written examination can be held as well in English or French. During the interview the knowledge of a foreign language chosen by the candidate between English, French, German and Spanish will be assessed. In the case of the applications referring to the positions with “New technologies and protection of fundamental rights: regulatory challenges in the European context” as specific research topic both the written and oral part of the examination will be held in English.

FURTHER INFORMATION ABOUT EXAMINATIONS	The written examination will be separate for respectively the assessment of the applications related to the ordinary scholarships and the assessment of those related to the positions with specific research topics. The examination will take place with a schedule allowing the participation to both.														
EVALUATION MARKS	<table border="1"> <thead> <tr> <th>parameter</th> <th>minimum score</th> <th>maximum score</th> </tr> </thead> <tbody> <tr> <td>Written examination</td> <td>40/60</td> <td>60/60</td> </tr> <tr> <td>Interview, curriculum vitae, research project, other qualification documents</td> <td>40/60</td> <td>60/60</td> </tr> <tr> <td colspan="3" style="text-align: center;">Eligibility is achieved with a minimum score of 80/120</td> </tr> </tbody> </table>			parameter	minimum score	maximum score	Written examination	40/60	60/60	Interview, curriculum vitae, research project, other qualification documents	40/60	60/60	Eligibility is achieved with a minimum score of 80/120		
parameter	minimum score	maximum score													
Written examination	40/60	60/60													
Interview, curriculum vitae, research project, other qualification documents	40/60	60/60													
Eligibility is achieved with a minimum score of 80/120															
FURTHER INFORMATION ON THE EVALUATION PROCESS	<p>The written section will assess the knowledge of the fundamental notions of each area, the capacity to develop arguments, and the familiarity with the system of sources and the main research lines.</p> <p>The oral section will assess the capacity to effectively present the research project, and to provide evidence of the knowledge of the related topics.</p> <p>The assessment of the research project will be based mainly on its originality and methodological soundness.</p> <p>The assessment of titles, experiences and publications will be based on respectively their relevance for the specific research area (for publications) and time needed to earn the title or complete the experience.</p>														
THEMATICS	The written section will turn around aspects specific to each curriculum and, in the case of the positions related to specific research topics, around profiles that are particularly relevant for these.
